City of Junction – Mission Statement

The mission of the City of Junction is to deliver essential municipal services in a cost-effective manner, provide for a safe and attractive environment for City residents, and facilitate economic growth consistent with our community's small town values.

Goals

1. Provide friendly customer service to the City's residents and visitors.
2. Provide for a professional Police Department with a community service orientation, and maintain a Municipal Court system.
3. Fund and oversee the successful completion of essential infrastructure projects.
4. Foster tourism-based economic development activities for the benefit of local businesses and to help reduce the property tax burden on local residents.
5. Continue the City's streets improvement and maintenance program.
6. Maintain the City's sound financial condition.
